**References:**

- Education Code Section 66025.8;
- Title 5 Sections 51006, 58106, and 58108

Open course enrollment (See BP 5052 Open Enrollment) is subject to state and local enrollment priorities and enrollment limitations (including prerequisites, corequisites, and other practicalities) as authorized by Title 5.

The Superintendent/President, in consultation with appropriate participatory governance groups as stipulated in BP 2510 Participation in Governance and Local Decision Making, shall establish procedures defining enrollment priorities, limitations, and processes for student challenge, which shall comply with state and federal laws including Title 5 regulations. Locally determined enrollment priorities shall be approved by the Board of Trustees.
